Notes:

1. Due to the updates and changes in the version of the mobile operating system, there may be slight discrepancies between the actual supported functions of the phone and the list provided. Please understand and be aware of this.
2. The effectiveness of the built-in video stabilization feature in ZY Cami depends on the permissions granted by the smartphone manufacturer for third-party apps. Therefore, the video results obtained while using ZY Cami may have slight differences compared to the native camera app of your smartphone.
